

Name: _____

5 Senses Character

Design a character using all 5 senses!

Sight: What does your character look like? Draw a picture below!

Character's Name: _____

Sound: What's something your character would say?

Touch: Pretend to be your character. Walk around the room the way you think they might walk. Keep imagining them while you do this, and add any new details you think of to the picture!

Smell: What do they like to do? What interesting things do they smell while they do it? Write your answers below and then add these new details to the drawing.

Taste What do they like to eat? Write your answers below and then add to the drawing.
